

ELECTRONIC FUND TRANSFERS

YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- ◆ **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or Savings S-00 account(s).
- ◆ **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or Savings S-00 account(s).
- ◆ **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check or draft to pay for purchases or pay bills.
- ◆ **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

24-Hour Account Access - Access your account through Home Banking at <http://isucu.org> or through the phone audio teller (PAT) at 208-235-7101 using your account number and a personal identification number, to:

- ◆ transfer funds from checking to savings
- ◆ transfer funds from savings to checking or savings
- ◆ transfer funds from line of credit to checking or savings
- ◆ make payments from checking or savings to loan accounts with us
- ◆ get information about:
 - account balances, tax information, statement information, hours, rates, order checks, change PIN, Loan Calculator, and credit union news
- ◆ complete online applications for: PAT, new member, new loan, e-statements and online banking
- ◆ withdraw funds from your account (check mailed to you)

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to telephone transfers.

ATM Transfers - types of transfers, frequency and dollar limitations, and charges - You may access your account(s) by ATM using your ISU Federal Credit Union ATM Access Card and personal identification number or VISA DEBIT CARD and personal identification number or MASTERCARD DEBIT CARD and personal identification number, to:

- ◆ make deposits to checking or savings account(s)
- ◆ get cash withdrawals from checking account(s) and/or S-00 accounts
 - you may make no more than 30 withdrawals per day
 - you may withdraw no more than \$2,500.00 per day
 - there is a charge per withdrawal for transactions outside the CO-OP Network (refer to separate fee schedule)
- ◆ transfer funds from savings to checking account(s)
- ◆ transfer funds from checking to savings account(s)
- ◆ change your personal identification number at ISUCU owned ATMs
- ◆ get information about:
 - the account balance of your checking or savings accounts

Some of these services may not be available at all terminals.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to ATM transfers.

Types of VISA DEBIT CARD or MASTERCARD DEBIT CARD Transactions - You may access your checking account(s) to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that a participating merchant will accept.

If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction.

If the balance in your account is not sufficient to pay the transaction amount, the Credit Union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your Account, you agree to make immediate payment of any overdrafts together with any service charges to the

Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement.

VISA DEBIT CARD or MASTERCARD DEBIT CARD Transactions - frequency and dollar limitations - Using your debit card:

- ◆ you may make no more than 30 transactions per day
- ◆ you may not exceed \$2,500.00 in transactions per day

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to debit card transactions.

Visa Currency Conversion. When you use your VISA DEBIT CARD at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

Visa USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. In either case, we pass this international transaction fee on to you. An international transaction is a transaction where the country of the merchant is outside the USA.

MasterCard Currency Conversion. If you effect a transaction with your MASTERCARD DEBIT CARD in a currency other than US Dollars, MasterCard will convert the charge into a US Dollar amount. The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of purchase or the date the transaction was posted to your account.

MasterCard charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, MasterCard charges us an Issuer Cross-Border Assessment of 80 basis points (.8% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. As a result, we charge you a Currency Conversion fee of .2% and a Cross-Border Transaction fee of .8%. The Cross-Border Transaction fee is charged on all cross-border transactions regardless of whether there is a currency conversion. A cross-border transaction is a transaction processed through the Global Clearing Management System or the MasterCard Debit Switch in which the country of the merchant is different than the country of the cardholder.

Advisory Against Illegal Use. You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Ownership of Cards. Any Card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card, immediately according to instructions. The Card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your Card or account to another person.

Honoring the Card. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

Security of Personal Identification Number (PIN). You may use your PIN with your electronic funds transfer. The PIN issued to you is for your security purposes. Any PIN issued to you is confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safekeeping your PIN. You agree not to disclose or otherwise make your PIN available to anyone not authorized to sign on your accounts. If you authorize anyone to use your PIN, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use a PIN may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of this PIN and the Credit Union suffers a loss, we may terminate your EFT services immediately.

Limitations on frequency of transfers. In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

- ◆ For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- ◆ During any month, you may not make more than six withdrawals or transfers from a savings account(s) to another credit union account of yours or to a third party by means of a preauthorized, automatic, or computer transfer, telephonic order or instruction, or by check, draft, debit card (if applicable), or similar order to a third party. If you exceed the transfer limitations set forth above, a fee may be assessed and/or your account may be subject to closure by the credit union.

FEES

- ◆ We do not charge for direct deposits to any type of account.
- ◆ We do not charge for preauthorized payments from any type of account.
- ◆ Please refer to our separate fee schedule for additional information about fees.

Except as indicated elsewhere, we do not charge for these electronic fund transfers.

ATM Operator/Network Fees. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

DOCUMENTATION

- ◆ **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- ◆ **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (208) 235-7100 or 1-888-847-8328 to find out whether or not the deposit has been made.
- ◆ **Periodic statements.**

You will get a monthly account statement from us for your checking and savings (with an ATM card) accounts.

You will get a monthly account statement from us for your savings (without an ATM card) accounts, unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

PREAUTHORIZED PAYMENTS

- ◆ **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

We will charge you for each item presented. Refer to separate fee schedule.
- ◆ **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- ◆ **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) For preauthorized transfers, if through no fault of the Credit Union, the payment information for a pre-authorized transfer is not received.
- (2) If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- (3) If you used your Card or PIN in an incorrect manner.
- (4) If the automated teller machine where you are making the transfer does not have enough cash.
- (5) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (6) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (7) If the money in your account is subject to legal process or other claim.
- (8) If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- (9) If the error was caused by a system of any participating ATM network.
- (10) If the electronic transfer is not completed as a result of your willful or negligent use of your Card, PIN, or any EFT facility for making such transfers.
- (11) There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) if your account is eligible for emergency cash and/or emergency card replacement services, and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s); or
- (4) in order to comply with government agency or court orders; or
- (5) as explained in the separate Privacy Disclosure.

UNAUTHORIZED TRANSFERS

(a) Consumer liability.

◆ **Generally.** Tell us AT ONCE if you believe your card and/or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way of keeping your possible losses down. You could

lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or PIN, you can lose no more than \$50 if someone used your card and/or PIN without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or PIN, and we can prove we could have stopped someone from using your card and/or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, PIN or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

◆ **Additional Limit on Liability for Visa® debit card.** Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa® debit card. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number which are not processed by VISA®.

◆ **Additional Limits on Liability for MasterCard® debit card, when used for point-of-sale transactions.** You will not be liable for any unauthorized transactions using your MasterCard® debit card, when used for point-of-sale transactions, if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, (ii) you have not reported to us two or more incidents of unauthorized use within the prior twelve-month period, and (iii) your account is in good standing. If any of these conditions are not met, your liability is the lesser of \$50 or the amount of money, property, labor, or services obtained by the unauthorized use before notification to us. "Unauthorized use" means the use of your debit card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. This additional limitation on liability does not apply to PIN-based transactions or transactions not processed by MasterCard.

(b) **Contact in event of unauthorized transfer.** If you believe your card and/or PIN has been lost or stolen, call or write us at the telephone number or address listed in this brochure. You should also call the number or write to the address listed in this brochure if you believe a transfer has been made using the information from your check or draft without your permission.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa® debit card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa® debit card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements or account histories that you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to "transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Share draft accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your check deposits available to you on the second business day after the day we receive your deposit, with the first \$200 available on the first business day after the day of your deposit. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the second business day, as detailed below. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

DETERMINING THE AVAILABILITY OF A DEPOSIT

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

If you make a deposit at an ATM before 3:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit at an ATM after 3:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Same-Day Availability

Funds from electronic direct deposits to your account will be available on the day we receive the deposit

Next-Day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

U.S. Treasury checks that are payable to you.

Wire transfers.

Checks drawn on Idaho State University Federal Credit Union.

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

Cash.

State and local government checks that are payable to you.

Cashier's, certified, and teller's checks that are payable to you.

Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit.

Other Check Deposits Subject to Second-Day Availability

The first \$200 from a deposit of other checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, \$200 of the deposit is available on Tuesday. The remaining \$500 is available on Wednesday.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,000 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 21st business day after the day of your deposit.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) will be available on the second business day after the day of deposit, except that U.S. Treasury checks that are payable to you deposited at ATMs that we own or operate will be available on the first business day after the day of deposit. Also, the first \$200 of a deposit made at ATMs we own or operate will be available on the first business day after the day of deposit. Checks drawn on Idaho State University Federal Credit Union will be available on the first business day after the day of deposit if the deposit is made at an ATM located on our premises.
